ILLINOIS COMMERCE COMMISSION
On Its Own Motion)

Investigation into the necessity of and,
if appropriate, the establishment of a
universal support fund pursuant to
Section 13-301(d) of the Public Utilities
Act.)

Docket No. 00-0233

Consol.

Docket No. 00-0335

**NOTICE TO THE ADMINISTRATIVE LAW JUDGE AND
PARTIES CONCERNING THE APPROPRIATE AFFORDABLE RATE**

Verizon North Inc. and Verizon South Inc. (collectively "Verizon"), through its attorneys, hereby submits to the Illinois Commerce Commission ("Commission") this Notice to the Administrative Law Judge and Parties Concerning The Appropriate Affordable Rate (the "Notice").

1. On October 31, 2001, the Commission granted rehearing in this matter to address certain issues, including the issue of the appropriate affordable rate for the members of the Illinois Independent Telephone Association ("IITA").

2. Subsequent to the granting of rehearing, a status hearing was held on November 5, 2001. At said status hearing, a discussion of the issues to be addressed during rehearing was held. There, Verizon stated its position that the appropriate affordable rate was the \$22.23 figure set forth in the Second Interim Order entered by the Commission.

3. It remains Verizon's position that the minimum affordable rate should be set at an amount no less than the rate its similarly situated customers must pay. For purposes of this proceeding, Verizon now has no objection to the use of the \$20.39 figure as discussed in the IITA's Brief on Exceptions.

4. Consequently, should the IITA propose an affordable rate of \$20.39 in its testimony, Verizon will have no objection and will not be filing testimony to rebut such a proposal.

Dated: November 21, 2001

Respectfully submitted,

VERIZON NORTH INC. AND
VERIZON SOUTH INC.
